The annual report was received as follows:

Good evening and a warm welcome to you all. A Parish Meeting is the opportunity to discuss parish matters. Anyone on the electoral role may speak at this meeting, with the exception of myself as chair, all councillors present are here as members of the public.

As we start coming out of the restrictions of the Covid Pandemic and getting back to what seems like a bit of normality I look back with pride at the things this community have done. The help and support of each other, the friendliness and selfless acts of many in the village.

New people coming into the village often declare on social media what a lovely place this is and it is I hope that it may continue to be so.

Thank you.
