

ANNUAL PARISH MEETING

All Parish and Town Councils throughout England are required by law to hold an Annual Parish Meeting, which must take place between 1st March and the 1st June (inclusive). Meetings should not commence before 18:00.

This meeting acts as an annual democratic point of communication enabling the Parish Council to explain what it has been doing over the last year and providing an opportunity for the electors to have their say on anything they consider is important to them and the community.

The Chair of the Parish Council will chair the meeting or in his/her absence the Vice Chair.
