

# Parish Investment Update

*In November, Moulton Parish Council received approximately £6,000 in Community Infrastructure Levy, due to a new planning application from Bovis Homes on their Honeyvale Gardens estate. There are strict rules about how the parish council can spend these monies, and we sought project suggestions from the community.*

*There are eight ideas that have been brought forward for consideration.*

*Moulton Parish Council are running a parish-wide poll to allow the community to decide which scheme(s) are brought to fruition. **Look on the back of this leaflet to see how to vote via the Internet or in person.***

*You can find the detailed description – and how the council will try to enact each scheme – at the website below or at our surgeries listed overleaf.*

## The shortlisted schemes

Fund £1,000 of trees to be planted adjacent to the MUGA

Install dog waste bins in the village

Purchase and install an armistice bench for VE Day

Add lighting to footpath from Holst Gardens to Niddries Lane

Install an all-weather footpath between School Lane and Honeyvale Gardens

Install secure bicycle stands

Install additional and updated CCTV on Moulton park

Widen Jack Lane footpath near Purcell Place
