Statement on Travellers

Moulton Parish Council are aware of the new arrivals on the Moulton Playing Fields car park in Main Road.

Members of the Moulton Parish Council have spoken to them, and they have been asked to leave, as they are on Moulton Playing Field Trust land, as managed by the parish council. They have no authorisation or right to be here.

They have refused, citing the law of the land, which states the land owner must obtain a court order for their removal.

Moulton Parish Council will now need to explore legal options, including an eviction notice.

Any parishioners who have concerns, or wish to report an incident, should do so via Cheshire Police website (<https://www.cheshire.police.uk/>) or by ringing 101.

Moulton Parish Council will make no further comment at this time, but do advise parishioners do not engage directly.
