Freedom of Information Act 2000 Response

Miller Play Area

Query

On 22 November 2019, the following request was made of Moulton Parish Council:

as you have removed the residents only sign from the miller play area, will this mean that the council will now be funding it instead.

if not, why wont you take ownership of the play area.

Response

Moulton Parish Council did not remove the “Residents Only” plaque from the Britten Crescent play space on the new Weaver Grange estate. Moulton Parish Council asked Miller Homes, who had built the new estate, to reconsider the existence of the plaque, and on 22 November 2019, they wrote to the councillor, who is also the Acting Clerk, to advise that it will be “removed immediately.”

Moulton Parish Council have no record of any request, from the residents, the builders or the management company, to adopt the play area, or be responsible for the maintenance or ownership of this space.
