## **General Specification**

Path dimensions approximately 100metres long by 1.2metres wide

The tender should include site survey, excavation and removal of waste, hard-core and fixed edging.

The surface of the path should be suitable for pedestrians, push chairs and bicycles and be durable with simple maintenance & repair properties. The works should have a minimum guarantee of ten years.

## **Summary**

This simple specification is to outline the general requirement, all potential applicants must visit the site prior to tendering, a councillor can be present on request.

As a requirement any successful tender must have employee and public liability insurance. Submit a risk assessment and method statement prior to the commencement of any works.

As part of the tender process the tenderer must provide some references for previous works

In the first instance please indicate your interest in writing to [clerk@moultonpc.org.uk](mailto:clerk@moultonpc.org.uk) quoting reference CIL/Path in the subject box.

Closing date for tender 12<sup>th</sup> August 2020

Signed for and on behalf of Moulton Parish Council

Councillor Nick Jennings
